 8" x 8" x 4"

The diagram shows the back side of a rectangular component. It features four circular pads arranged in a cross pattern: C5 is at the top left, C4 is at the top right, C3 is at the bottom left, and C1 is at the bottom right. The component has a thin metal frame around its perimeter.

The diagram shows a rectangular frame representing a front panel. Inside, there are four circular labels: 'A1' in the top left, 'A2' in the top right, 'A3' in the center, and 'A4' in the bottom left.

**NOTE:** Available with a 1", 1.5", 2", or 2.5" hub. Hub is always placed in the center of selected side. No other connectors can be installed on the same side as the hub. A 2" or 2.5" hub can't be mounted on the D side (hinge side) or B side (latch side) of the 8" x 8" x 4" junction box.
